Payment for garments with fitting is 50% pre-payment and 50% after final delivery with 7 days payment period.

Other notes

Prices for tailoring already include fabric costs as a general flat rate for most common fabric bunches. More expensive or special fabrics might come with additional charge.

Prices for shirts include 100 hands in-house fabric costs as a general flat rate. External or limited edition fabrics might come with additional charge.

All MTM/MTO services include meeting for initial consultation, selection of fabric and to take measurements (either in person or virtual)

Simple alterations are included in the price of all MTM/MTO tailoring. More complicated alterations can be booked as part of fitting or as an extra service
